## RAFFLE TICKET SELLERS' GUIDE 2010

Books of tickets can be obtained from the SA Team. As you complete each book of tickets, please return to the SA team as soon as possible – please feel free to take more books if you think you can sell them!

### The SA Team's top tips for selling tickets

1. Don't be shy, the tickets are only a quid!
2. Everyone loves free stuff; this is the next best thing... so just ask!
3. As the lottery insist on reminding us: 'You've got to be in it, to win it!' – our odds are 1 in 3000... how good is that?
4. Smile and be happy... no one buys stuff from miserable types!
5. The more you sell the better, as we've got yet more **prizes** for the best '**Raffle Entrepreneurs**'!!!!!!

If you have your own ways of getting good ticket sales, please let the SA Team know what you're doing!

Draw will be made on 25th April 2010 (finals day)
